## BILATERAL MEETINGS

Wednesday 10:00 - 16:00

**DESCRIPTION** We are planning and implementing hempcrete houses by incorporating green technologies for energy supply and food supply.

VISION: Vision of CoGreen d.o.o. is to offer the market a greater connectivity between natural construction materials (with an emphasis on hempcrete), green technologies and environmental energy.

MISSION: The company's mission is sustainable green orientation, development and integration.

Our service is unique in the region as a concept and also as a product, which is a novelty on the market.
