DESCRIPTION We offer innovative direct marketing outsourcing services with which we can help companies to present themselves to precisely selected segment of Slovenian companies or companies from any other EU country. With our assistance you will be able to find the right business partner on the EU markets. We specialise in German and English speaking markets and we successfully implement our services also on the Hungarian market, with help of native speakers. Slovene companies can also benefit from the Public Agency - SPIRIT grants, for our foreign market research services.
