## BILATERAL MEETINGS

Wednesday 10:00 - 16:00

**DESCRIPTION** Company Čepin's core business is representation of companies in Slovenia and beyond. We also provide selling services. Our goal is creating and encouraging mutual collaborations within the markets of Slovenia and beyond. At the upcoming trade fair, we will present the products of the Dutch special paint manufacturer MagPaint , namely: write-erase and smart paints, magnet paint, magnet plaster and products related to with those products painted surfaces. Colors are suitable for use in kindergartens, schools, various institutions, demonstration rooms, conference halls, offices and, of course, at home. All colors are water-based and have a European certificate for use on children's toys EN71-3.
